Financial Policy

Thank you for choosing us as your dental healthcare providers. We are committed to providing you with the highest quality care in a compassionate, professional, and timely manner.

Payment in full is required at the time of service for non-insured patients. Payment of the estimated portion and or co-pays (or the balance in full if your carrier will not reimburse us directly) is required for insured patients at the time of service. In-house payment plans are available and we also offer patient financing programs through a third party.

Any estimate given on any treatment needed is subject to change if additional information is revealed through further clinical examination or radiographs. Once a patient is aware of what is taking place and allows treatment, patient is responsible for payment of additional treatment.

Our practice is not a preferred provider for every insurance carrier. We will file any insurance claims as a courtesy to you. Our office will need to disclose your personal information to your insurance for reimbursement. The benefit percentages quoted are based on "UCR" or "usual, customary, reasonable" and are determined by your employer and the insurance carrier.

Your dental insurance plan is an agreement between your employer and its selected insurance company. Dental care is provided to the patient, not to the employer, nor to the insurance company. As a result you are responsible for full services payment to NC Pediatric Dentistry. We will accept assignment of benefits to come to us as your provider. Any balance that results from your carrier's denial or deviation from our estimated benefits payments remains your responsibility. Any account for which an insurance claim has been filed and has not been paid after 90 days may be subject to further action by you or full payment by the responsible party. If at that time you do not respond or the responsible party does not make payment, then your account may result in further collection actions as stated below.

Any account that remains unpaid after 45 days may incur a collection service fee of $25 and may be turned over to a third party for collection purposes. In case of delinquent or default account, Patient/Responsible Party is liable for any and all collection and/or reasonable Attorney fees.

A returned check reimbursement charge of $25.00 or the maximum allowed by North Carolina State law will be issued to any account on which payment has been refused by the payer bank because of insufficient funds or because the drawer did not have an account at that bank.

We require a 24-hour notice when canceling or rescheduling an appointment. Our policy for broken or missed appointments follows: For patients who (1) are chronically late, (2) frequently fail to show or (3) chronically reschedule or cancel on the day of the appointment will be put on a call list or possibly dismissed from the practice.

By signing below the patient accepts the terms of this financial policy.
